Re: Withdrawal of Record of Decision and Report of Examination

A meeting of the Spokane County Water Conservancy Board was conducted in compliance with Chapter 42.30 RCW at Spokane, Washington on September 21, 2006.

The board had previously issued a Record of Decision and Report of Examination on June 20, 2006 in the matter of Application for Change/Transfer No. SPOK-06-01 filed by Liberty Lake Sewer and Water District. At the meeting mentioned above and by a majority vote, the board withdrew the referenced issued Record of Decision and Report of Examination for the following reason(s):

The Public Notice had an error in the legal description for one of the well sites. The Notice will be amended and republished.

The withdrawal of the referenced Record of Decision and Report of Examination is effective as of the adjournment of the meeting of the board during which it was adopted. Upon Ecology concurrence to this withdrawal, the Ecology review period provided by RCW 90.80.080 is terminated without prejudice for the referenced application for change/transfer.

The applicant did not participate in the meeting and concurs with the withdrawal of the board's previous decision.

The board adopts the following plan for action on the application (*check one*):

- ☒ X The board intends to revise and resubmit for Ecology review the record of decision and report of examination for the subject application
- ☐ The board will take no further action on the subject application and has informed the applicant that the application may be filed with Ecology for processing.
